ARMY MEDICAL CENTER

HONOLULU, HAWAII

"Working as a team for the benefit of children."

Pediatric Growth Parameters on the Appropriate CDC Chart.

Data is entered in the worksheet titled "Data Entry"

Please note that due to limited space on some charts only the data entered in the gray spaces will be displayed and/or printed. However, all data points are plotted on the graph.

Growth charts may be copied into CHCS-II by selecting the appropriate button to copy the chart to the clipboard. Right click your mouse in an open "Add Note" section to paste the chart into the file. If you wish to review the chart prior to copying you may view the chart by selecting the appropriate sheet.

Click on "Data Entry"
